

drumpi::audio::AudioCallback

```
graph BT; PE[drumpi::audio::PlaybackEngine] --> AC[drumpi::audio::AudioCallback];
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a white box labeled 'drumpi::audio::PlaybackEngine'. A blue arrow points upwards from this box to a gray box at the top labeled 'drumpi::audio::AudioCallback'. This indicates that 'drumpi::audio::PlaybackEngine' inherits from 'drumpi::audio::AudioCallback'.
