

drumpi::State

```
graph BT; A[drumpi::SetDrumVolumeMode] --> B[drumpi::State];
```

A UML diagram illustrating a dependency. At the bottom is a rectangular box with a light gray fill and a black border, containing the text "drumpi::SetDrumVolumeMode". A vertical blue line extends upwards from the center of this box, ending in a solid blue arrowhead pointing towards the bottom center of a second rectangular box above it. This second box is white with a black border and contains the text "drumpi::State".

drumpi::SetDrumVolumeMode
